

<Marine Organism Rearing Log>

9 AM, February 1, 2023

Weather: Sunny

Water temperature: 17.5°C

Let us continue to talk about individual differences. Abalones also differ in their size or physical abilities depending on the individual. There are abalones that quickly gobble up their feed, one that is nocturnal and bites into leftovers, or another that ramps up to smaller abalones, etc. Severe fights for survival take place in the abalone tank.
