

<Marine Organism Rearing Log>

9 AM, July 26, 2023

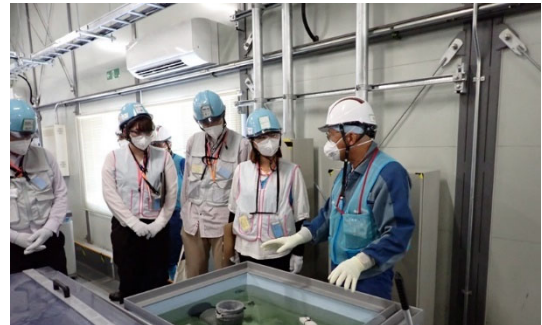

Weather: Clear

Water temperature: 17.5°C

Ms. Betty from "FM Iwaki" (frequency: 76.2 MHz), a community broadcasting station for Iwaki citizens, came to interview us. This interview will be featured in the program, "Decommissioning Now and Tomorrow," which will be broadcast on August 9 at around 6:14 p.m. You can also listen to the program via the station's radio app.

Being interviewed by radio personality, Ms. Betty (We were a little nervous)

Explaining about the abalone to Ms. Betty

Showing Ms. Betty other equipment

Ms. Betty feeding flounder
